

# Lupin Methodological Note

On Disclosure of Payments and other Transfer of Values (TOV) to Patient Organisations, Members of the Public (including Patients) following the Association of the British Pharmaceutical Industry (ABPI) and EFPIA Code on Disclosure of Transfers of Value.

## 1. Rationale

Lupin Healthcare (UK) Ltd “Lupin” is committed to working in an open and transparent way with members of the public and patient organisations, in order to better serve the needs of patients. We are working in collaboration with the Association of the British Pharmaceutical Industry (ABPI) in order to make sure that we continue to set high standards of ethical interaction between Lupin Healthcare (UK) Ltd and patient organisations and members of the public within the UK. This document outlines the methodology and definitions used by Lupin in relation to such disclosure.

## 2. Reporting Period

This data pertains to payments corresponding directly or indirectly from Lupin Healthcare (UK) Ltd to patient organisations which took place **from 1st January 2025 to 31st December 2025**.

All consultancy agreements between Lupin and patient organisations, patients and members of the public state that Lupin will disclose Transfer of Value information annually on the basis of Lupin’s legitimate interests.

Data quality checks are performed prior to reporting. Data are then disclosed on the UK company website ([www.Lupinhealthcare.co.uk](http://www.Lupinhealthcare.co.uk)). This link is also extracted and shared with the ABPI Patient Organisation Disclosure UK Platform overseen by the ABPI on behalf of the PMCPA.

## 3. Financial considerations

All expenses reimbursed to members of the public and patient organisations were made in sterling (£).

All transactions have been correctly accounted for, for both VAT and corporation tax purposes. All company transactions (whether subject to the disclosure of transfer of value or not) are reviewed as part of our annual financial and tax audit procedures. All amounts shown are exclusive of VAT.

## 4. Criteria for Inclusion/Exclusion

The disclosures include no more than details required by the ABPI Code of Practice. Information declared includes transfers of values that have been made. Transfers of value are declared according to the year in which the payment (transfer of value) took place. If an activity took place in this reporting period but was paid in 2026, it will be included in disclosure for the year the transfer of value (payment) took place.

### Cross-border engagement

No cross-border payments were made from Lupin Europe (EMEA) to UK patients during the reporting period.

### Non-monetary transfers of value

Disclosure of non-monetary transfers of value is made at the equivalent value in monetary terms. No non-monetary transfers of value took place during the reporting period.

**Multi-year contracts**

No multi-year contracts took place for the reporting period.

**Indirect transfers of value**

No indirect transfers of value were made during the reporting period.

**Excluded transfers of values**

No transfers of value were excluded during the reporting period.

**5. Management of recipients' queries**

The UK disclosure data are hosted on the ABPI central platform, please see further information on the ABPI disclosure website.
